This is a pretty character property located on the main plaza of a small village 5 minutes from the white-washed market town of Lubrin. The house comprises 3 bedrooms, family bathroom and spacious kitchen which opens out onto a pretty terrace to the rear of the house. The upstairs double bedroom gives access to a roof terrace overlooking citrus trees. A 45 minute drive to the coastal beaches of Mojacar, Garrucha and Vera. This is a lovely house which with a little updating would make a great little home or holiday bolt hole....
